

## Geotechnical FAC Conference Call

June 14, 2001, 12:00 PST

### Participants:

Candida Koenig SAJ  
Eric Matthews MVD  
Travis Tutka MVS  
Glenn Kato NWS

1. Conference calls will be second Thursday of each month at 11 PST, 206-553-4592.
2. The following are tasked with gathering POC's for the divisions. Also a quick information gathering on exploration log programs they are currently using or other automation tools. It would probably be best if the POC had some knowledge and authority in the GT area.  
  
NWD Glenn Kato  
SPD Rodger Tellefson (tentative)  
SWD Bruce Rogers  
LRD Bill Rochford  
MVD Travis Tutka  
SAD Candida Koenig  
NAD Eric Matthews
3. Later it may be a good idea to send out email to the POC's for additional information, similar to the CASE letters.
4. We will do a face-to-face meeting would be at the August 14-16 Structural/Geotechnical conference in Reno, NV. I contacted Jim Truesdale 916-557-6823 and touch base with him Monday evening to arrange a room.
5. Send Glenn email if you are attending and if you need funding assistance.
6. Troy Cosgrove will be at Reno for Bruce Rogers.
