

Systems FAC Conference Call
1 November 2001

1. The SAC will meet with FAC Chairs on December 6 and 7, 2001 at Jekyll Island, GA. FAC Chairs and members of the Systems FAC will meet with Bentley representatives to discuss technical issues prior to the SAC meeting on December 4 and 5. If you are interested in attending or have topic ideas for the Bentley meeting, please e-mail John Kincaid.
2. A brainstorm session was conducted to come up with some potential topics for the Bentley Meeting. The following topics were touched on: engineering workflows, Autocad translations, Microstation V8, model space vs. sheet files, ProjectWise, civil engineering applications, drawing set organization, moving toward IFC compliancy, and Select licensing issues. These topics will be fleshed out before the meeting.
3. SWAT – If you are interested in having a Standards/Workspace Assistance Team come to your district and want more information, talk to Ed Mathison (Louisville) or Debbie Solis (Jacksonville) for an end user perspective. You can also talk to one of the SWAT members (John Kincaid – Rock Island, Steve Hutsell – Ft. Worth, Glen Kato – Seattle, Mary Diel – Sacramento).
4. The Technical Reference Guide is up for review again. If you would like to take a look at it go to: <http://www.29south.com/cea>.
5. John, Glen, and Mary are in the process of reviewing the ckb database and will fix it and send it to all districts for completion. We will then use the completed database to update the ckb web site.
6. Next Meeting: Tuesday, Nov. 27, 2001, 1:30 pm CST.
